Dear Edmund, thought you might like these.
My father and I , (father and son show) on stage together, Chippenham England, c2002.
My father and mother wedding photo. He was a TV star on 'OH BOY ' show England at that time when I was born. My mother (Hazel Jeanette) was a beautiful dancer. They were both 19 years old. She died also during May 2015. I am the first original child of my father , named after him, and I am the only one who is a real musician as he was . My Birth date is October 23rd, 1959.
My best Wishes,

TONY SHERIDAN 58

Tony Sheridan ist Opa!
Tristan Sheridan. He is 23 years old. He plays guitar like his father and grandfather also, he is a very good guitarist.

Tabitha, she is 26 years old, (today , 2/16 is her Birthday....)

So the descendants of the Sheridan legacy go on in the United States, we are all American citizens, and my father loved this country very much too. He was very proud of his honorary US Army captain status given to him for his time entertaining in Vietnam as you know.

Das BEAT ARCHIV macht am 16.02. eine Gedenkstunde mit Freunden. Wir hören Tony Sheridan Songs und erzählen uns Geschichten, die wir mit Tony Sheridan erlebten.

Thank you for marking my Father's day today, I appreciate that very much. I am doing so myself over the ocean..

Warm regards
Tony
